

Meet Teigan Avery, MA Economics, Portfolio Analyst

CO149

Hi, I'm Teigan Avery, Portfolio Analyst and as one of the latest additions to the Pintler Wealth Management Group, I'm thrilled to connect with you!

CO150 VOICE OVER (PORTFOLIO PICTURE)

In my role as a portfolio analyst, I research investment opportunities, stay up to date on macroeconomic trends, and analyze our client's portfolios to help protect and grow their wealth for a secure financial future.

CO151

Furthermore, I'm working closely with Senior Vice President Tom Wozniak to learn his investment philosophy,

VOICE OVER (PICTURE OF TOM AND TEIGAN TandT3) understand his relationship with our clients, and master stewardship of their portfolios.

CO159

I love this career because it allows me to put my passion for helping people live their best lives possible to work right here in the Last Best Place, where I was born and raised, making me a fourth-generation Montanan.

CO161

I completed bachelor's degrees in political science and economics as well as a master's in economics at the University of Montana. During my time there, I also competed as a Grizzly student-athlete, playing golf for the university while also studying as a Presidential Leadership Scholar in the Davidson Honors College.

CO164

I **love** the Treasure State, which is why you'll find me recreating beyond just the golf course in my free time. My dog Theodora— best known as Teddie — and I can often be found hiking, biking, skiing, or fishing **every day!**

CO170

All in all, collaborating with Tom Wozniak, Senior Vice President, Chris Sakas, Managing Principal, Alice Marquardt, Managing Partner and the entire team at Pintler Wealth Management Group has been a truly incredible experience. I'm looking forward to meeting and connecting with you in our efforts to help you achieve your most closely held-financial goals!
