Chris and Alice:

C0367 ■ [Chris] Hello, my name is Chris Sakas, Managing Principal [Alice] and I am Alice Marquardt, Managing Partner, we are the owners of Pintler Wealth Management Group located in the heart of Missoula, MT.

C0368 ■ [Chris] PWMG is a client centric wholistic wealth management practice specializing in financial management.

C0371 ■ [Alice] When it comes to financial advice, the benefits of working with a team rather than an individual advisor may become increasingly clear as your financial needs grow more complex.

C0372 We thought it might be helpful to share some of our thoughts on why we believe teams are so important in managing wealth. Here are a few points to consider:

■ [Chris]

- C0373 **Enhanced Service:** If you're working with a well-staffed financial team, you should expect more personal attention, quicker turnaround times, and the feeling of "white glove" service.
- C0374 **Comprehensive Approach:** A team approach is helpful for taking a comprehensive, holistic viewpoint on your finances. It's common for some team members to be in-house like investment planners and portfolio analyst.
- C0375 **Increased Reliability:** A well-built team offers reliability that individuals would find hard to match. A stable and reliable point of contact can be crucial during times of urgency when immediate decisions are necessary.

C0376 ■ [Alice] With over 30 years of combined expertise, we work together to bring our clients the absolute best experience. Serving others and building trusted relationships is not just our mission, it is who we are as a team.

C0379 ■ [Chris] The Pintler name is based on a rugged and spectacular Montana wilderness and mountain range balanced across the continental divide area in southwestern Montana. It possesses some of the most beautiful valleys, alpine lakes, trout streams, and glacial moraines.

C0380 ■ [Alice] Here at PWMG we are proud to be in the heart of The Old Sawmill District in downtown Missoula Montana. Our doors are always open so come on by for a visit and enjoy the views Missoula has to offer.
